1. Download the Marshall-Cavendish eBooks using the Mobi file format. Save these in a dedicated folder (referred to as "eBook Folder below"). *Not all Marshall-Cavendish eBooks are currently available for download.*

2. Plug your Kindle into your computer using the USB cable.

3. You will see windows recognize the device.

4. Locate your "eBook Folder" on your computer. Open it so you can see the files.

5. Find the "Documents" folder on your Kindle (there are three default folders: Documents, Audible, and Music).

6. Grab, drag and drop an eBook from your "eBook Folder" into the "Documents" folder.

7. Repeat as necessary.

8. Eject your Kindle and unplug it from your computer.

9. Your eBooks should now appear on your Kindle!
