1. Download the Marshall-Cavendish eBooks using the ePub file format. Save these in a dedicated folder (referred to as “eBook Folder” below) **Not all Marshall-Cavendish eBooks are currently available for download.*
2. Plug your Nook into your computer using the USB cable.
3. You will see windows recognize the device.
4. Locate your “eBook Folder” on your computer. Open it so you can see the files.
5. Find the “My Documents” folder on your Nook.
6. Grab, drag and drop an eBook from your “eBook Folder” into the “My Documents” folder.
7. Repeat as necessary.
8. Eject your Nook and unplug it from your computer.
9. On the Nook, do a “Search For New Content”.
10. Your new eBook files should show up in the “My Documents” folder.
